Mr. Robert B. Porter
Assistant Attorney General
State Capitol Building
Salt Lake City, Utah

Dear Mr. Porter:

With further reference to the matter of the adjudication of the waters of Burnt Fork Creek, I wish to advise that I have met with the directors of this company and would like to have another conference with representatives of the State Engineers office and Mr. Skeen, attorney.

I plan on being in Salt Lake City December 11 and 13, and I will have available time in the afternoon of both of these days for such a conference if it meets with your convenience and the convenience of other parties concerned.

I will appreciate hearing from you with reference to this matter as soon as possible.

Very truly yours,

Hugh W. Colton
